

MOTOR OIL

FROM : \$140 ONWARDS

Fully synthetic low-viscosity motor oil. Keeps oil consumption low. Guarantees maximum performance even with long oil-change intervals. Provides the ideal oil pressure under all operating conditions. Fast cold-start oiling provides excellent engine wear protection during the start and warm-up phase.

FROM : \$158 ONWARDS

Mobil 1 0W-40 is a 100% advanced fully synthetic engine oil formulated with the Proprietary Multi-Layer Anti-Wear Technology. The Mobil 1 0W-40 grade delivers the viscosity required by many European car builders. Exceeding industry standards and the major leading builder requirements are the cornerstones of the performance reserve that allows Mobil 1 0W-40 to perform better than conventional oils. It provides outstanding protection, even during extended-use driving, coupled with excellent fuel economy performance.

FROM : \$108 ONWARDS

This oil gets the highest level in the world (SM) of APA (American Petroleum Association). In addition, it also passed the standard ILSAC (GF-4) which, according to the fuel efficiency determined in accordance with the Association of Car Perusaan Japan - America. These oils also meet the demands of what high performance cars need and save fuel.

Free Maintenance Checks on these following items

1	Check Battery Condition	11	Check light indicators	21	Check fan belt, belt motor and belt tensioner
2	Check steering rack	12	Check wipers	22	Check valve cover gasket
3	Check Brake fluid, brake pads and disc rotor	13	Check spark plugs	23	Check caliper leakage
4	Check auto transmission fluid	14	Check tyres tyres condition	24	Check suspension
5	Check radiator coolant	15	Check rims condition	25	Check wheel bearing
6	Check engine mounting	16	Check tie rod	26	Check drive shaft
7	Check power steering fluid	17	Check rack end	27	Check water pump
8	Check front lower arms	18	Check lower ball joint	28	Check radiator
9	Check air filter	19	Check linkage	29	Check coolant pipes and hoses
10	Check air -con filter	20	Check stabilizer bush	30	Check power steering pump and hoses
				31	Check plug coil and cable
